WAVES ON THE BEACH GROUP BOOKINGS

A beachfront restaurant with sweeping views of the ocean, Waves on the Beach offer an amazing experience to be shared.

Thank you for exploring our Group Booking information package. As the name suggests, Waves on the Beach is located right on the beach in a premier location in Frankston. The views from the venue are simply breathtaking, and are the perfect backdrop for any event. With our team of experienced chefs, we ensure that the meals served will not only look and taste absolutely delicious but will also be of reasonable size. Furthermore, we have ample free 3-hour parking right outside our entrance.

We warmly welcome all group booking enquiries via our functions coordinator at functions@wavesonthebeach.com.au.

Some of our more popular group bookings are for events such as:

- Simple get-togethers
- Birthdays
- Work events
- Celebrations
- End of season parties
- Christmas parties
- Reunions

Depending on how many people you wish to book, you have a choice of either *à la carte* or a *set menu* – see the next page for requirements. We are reasonable with requests. Furthermore, our set menus are laid out on p.4. We do book out quickly, so make sure you book early to secure the date that you want.

We consider a booking for 15+ people a group booking. If you would like to book the *entire* venue out please see *Private Events* or *Corporate Events* under our Functions Tab on our website.

We know that you and your group will have an incredible experience.

MENU SELECTION & DEPOSITS

Depending on how many people you wish to book, you have a choice of either *à la carte* or a *set menu*. The table below outlines the menu options and whether a deposit is required.
