OUR DEFINITION OF A PRIVATE EVENT

Finally, our definition of a private event at Waves on the Beach requires you to book the entire venue out. If you are requiring smaller bookings, please see our *Group Bookings* guide under the Functions tab on our website.

A FEW IMPORTANT THINGS ABOUT US

As the name suggests, Waves on the Beach is located right on the beach in a premier location in Frankston. The views from the venue are simply breathtaking, and are the perfect backdrop for any special event.

Our venue is suited towards more intimate events – if you want to have a couple of hundred people seated at a huge venue, we are not the place for you. However if you are comfortable in seating up to 80 people (*Set Menu Package – p.14*) or holding a Finger Food Event for up to 150 people (*Finger Food Package – p.11*), Waves on the Beach is the perfect venue. Furthermore we have a range of beverage packages, which you can view on p.18.

With our team of experienced chefs, we ensure that the meals served will not only look and taste absolutely delicious but will also be of reasonable size. A big belief of ours when it comes to private events is that no one should be left hungry. We will make sure that all of your guests are completely satisfied.

Another way we separate ourselves from other venues is our price. We offer incredible value. As you will see, despite having more appeal than most other venues, we have a considerably lower price (as we don't feel the need to charge a huge premium). Our prices are the same for all events. Furthermore, there are no hidden costs – all the costs are outlined in this guide. Hosting private events is something we really enjoy and we do it extremely well.

By having years of experience specialising in events, we make sure that no detail is overlooked. We believe in having constant communication with our clients, and are pretty flexible with requests.

Every private event that we have hosted has been an incredible experience for our clientele. We do book out quickly, so make sure you book early to secure the date that you want.

SEATING CAPACITY

Seated Private Event: (*Set Menu Packages A & B, p.14*)

If you would like a seated private event, we can seat up to 80 guests with a dance floor area.

Finger Food Private Event: (*Finger Food Package p.11*)

If a seated private event isn't for you, we can do a Finger Food Private Event. We are finding Finger Food Events are the new trend and have become extremely popular. We have the capacity to hold up to 150 people. If you would like to have scattered couches or a few tables with chairs (especially for the elderly), this number will drop slightly. Either way, we can set up the restaurant to what suits you best.

We can set up a seaside bar on the balcony at no extra cost (weather permitting). Many of our previous private events have enjoyed a champagne cocktail on the balcony upon arrival.
